**to download the attachments: PowerPoint slides, find instructions for  
registration/evaluation/continuing education, etc.**

**Description:** The purpose of this Audio program is to give participants a thorough review and update about Mood Disorders in Parkinson's Disease (PD). PD is a progressive neurodegenerative disorder leading to decline in motor function. PD has a whole complex of non-motor symptoms including neuropsychiatric symptoms. This presentation will focus on mood and depressive disturbances in PD. This knowledge based activity is the third in a six-part series on Movement Disorders in FY2012.

#### **Outcome Objectives:**

At the conclusion of this educational program, learners will be able to:

1. Describe the occurrence of depressive phenomena at different stages of Parkinson's Disease;
2. Recognize the feature of depression in PD patients (and PD in depression); and
3. Discuss treatment strategies for patients with PD and depression.

#### **Registration/Evaluation/Continuing Education:**

**Pre-registration is now required through TMS.**

- Online Evaluation will be available through TMS only.
- Detailed instructions found at VA Catalog link:  
[http://vaww.sites.lrn.va.gov/vacatalog/cu\\_detail.asp?id=28992](http://vaww.sites.lrn.va.gov/vacatalog/cu_detail.asp?id=28992)

#### **2012 upcoming topics PADRECC/EES Movement Disorder Series**

**May 10 – Pharmacy/National Formulary**

**July 12 - Rehabilitation Issues in PD**

**Sept 13 – Telehealth & Movement Disorders**
